

Zorina Dellali

Multilingual Tech Pivot | Remote-First Candidate | CRM & Care Expert Turned Developer

📍 Portland, Maine | ✉️ zdellalitranscription@zohomail.com | 🌐 [GitHub Profile](#)

Profile

Resourceful multilingual professional pivoting into software engineering and remote-first tech roles.

Certified in Responsive Web Design (freeCodeCamp) with hands-on experience in HTML, CSS, Git, and accessibility-first design. Skilled in CRM systems, candidate outreach, and workflow optimization, with a strong foundation in care management and empathy-driven service. Known for strategic communication, visual organization, and cross-functional collaboration across global teams. Fluent in English and Arabic, with working French. Currently building a full-stack portfolio and preparing for Springboard's Software Engineering Career Track.
